

About Us

THE LIFE CENTER OF LONG ISLAND is a not-for-profit organization with three pregnancy care centers known as “AAA Pregnancy Options” serving all of Long Island since 1986.

We counsel over 300 women and men every month at our three centers and serve an additional 2,500 by telephone. The Life Center provides free pregnancy test kits and educates on fetal development, abortion risks, and support services available.

In addition to these services for women and men, we provide essential baby needs to expectant mothers and families in need.

Our Mission

TO PROMOTE, ENCOURAGE AND FOSTER PUBLIC SENTIMENT AND RESPECT FOR THE DIGNITY OF HUMAN LIFE FROM CONCEPTION TO NATURAL DEATH.

Our Guest Speaker - Terry Beatley

Terry Beatley is the President of the Hosea Initiative, a nationwide ministry dedicated to educating, restoring and unifying America around a culture of life ethic by fulfilling the promise she made to Dr. Bernard Nathanson, the father of America's abortion industry, who deeply regretted unleashing abortion onto our country. Hosea Initiative aims to give people the information they need to make wise, informed choices and to protect our God-given right to life by building an army of educated citizens to help stop the exploitation of women and children. Her vision is an America where every preborn life is welcomed and protected by law and where the average citizen has a basic understanding of how toxic worldviews have brought America to the brink of legalized infanticide.

Our Distinguished Honorees - Pro Bikers for Life

PBFL was created in 2009 from the encouragement of the Sisters of Life, to have faithful men who are bikers to be involved in serving and reaching our brothers and sisters on the outskirts of society in the pro life movement. Since then they have been blessed with women riders who have become PBFL members as well. PBFL members are involved in prayer vigils for the preborn, side walk counseling at abortion clinics, delivering furniture for new moms, and arranging baby showers. Speaking at high schools, colleges, mens retreats and Knights of Columbus presenting the challenges of being on the front lines with our priests and laity to counter the choice of death over life. PBFL have been invited to three consecutive World Youth Days in Spain, Brazil and Poland to share their experiences to the youth, through images and stories of their encounters with abortion minded moms and dads who through the grace of the Holy Spirit choose life for their child. PBFL are small in numbers but God's awesome glory has always gone before them amazing them each time they are out there in his name. Each PBFL feels blessed to have been chosen to be the hands and feet of our Lord and Savior Jesus Christ, to reach out to all his children. This is why they Ride and Pray. PBFL are God's Army in the Spiritual battle for LIFE !
