Ms. TERRY BEATLEY IS COMING TO LONG ISLAND!

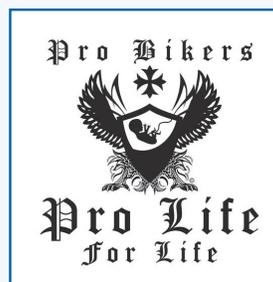

We invite you to join us at our Annual Dinner Dance on Friday, September 27, 2019 for a very special evening as we celebrate our 33rd Anniversary at the Muttontown Club in East Norwich, New York and are privileged to have as our Guest Speaker this year, **Ms. Terry Beatley**.

Terry Beatley is the President of the Hosea Initiative, a nationwide ministry dedicated to educating, restoring, and unifying America around a culture of life ethic by fulfilling the promise she made to Dr. Bernard Nathanson, the father of America's abortion industry, who deeply regretted unleashing abortion onto our country. In 2016, Terry published her book entitled *What If We've Been Wrong? Keeping my promise to America's "Abortion King."*

Hosea Initiative aims to give people the information they need to make wise, informed choices and to protect our God-given right to life by building an army of educated citizens to help stop the exploitation of women and children. Her vision is an America where every preborn life is welcomed and protected by law and where the average citizen has a basic understanding of how **toxic worldviews have brought America to the brink of legalized infanticide**.

In addition to Terry Beatley, we have our Distinguished Honorees: the **Pro Bikers for Life**. The Bikers have been stalwart supporters of the Life Center of Long Island since their inception. Pro Bikers for Life volunteer as male advocates, mentoring male clients at our centers, and have been involved in saving babies through their witness. The Life Center's Hempstead office has been greatly impacted by the Pro Bikers' peaceful presence outside of the nearby Planned Parenthood facility, as the Bikers guide women and men to our life-saving care. We are blessed to have the Pro Bikers for Life as advocates in the cause of Life.

Act now to reserve your seat(s) for this very special event! While they last, we are taking reservation requests as late as Thursday, September 19. We are so enthusiastic about this year's Guest Speaker and Distinguished Honorees. Please contact Cindy at 516-798-8746 for more information.

Our Mission... "To promote, encourage and foster public sentiment and respect for the dignity of human life... from conception to natural death."

AFTER THE MOVIE UNPLANNED... WHAT'S NEXT?

I'm sure many of you have heard of, if not seen, the powerful movie **Unplanned**. If you haven't, **Unplanned** tells the inspiring true story of one woman's journey of transformation from working in an abortion facility, then learning the truth that the No. 1 goal of that organization is abortion.

All Abby Johnson ever wanted to do was help women. As one of the youngest Planned Parenthood clinic directors in the nation, she was involved in upward of 22,000 abortions and counseled countless women about their reproductive choices — until the day she saw something that changed everything leading Abby to become one of the most ardent pro-life speakers in America.

Over 330,000 preborn babies are aborted each year at Planned Parenthood. It was noted at the end of the movie that **70 percent of women who see a sidewalk counselor and/or prayer warrior DO NOT KEEP THEIR ABORTION appointment!**

A 2018 Pregnancy Center Study from the **Charlotte Lozier Institute** reveals that pro-life pregnancy resource centers have had a major impact on the lives of women, children, and men. From 2,600 of the 2,752 pregnancy center locations nationwide, the report found that these centers served nearly 2 million people in 2017 alone. Free services, worth an annual estimated savings of \$161 million to communities, included 679,600 free pregnancy tests and 400,100 free ultrasounds by licensed medical personnel. According to the National Institute of Family and Life Advocates (NIFLA), **78 percent of women considering abortion choose life when they see an ultrasound of their babies.**

If you saw the movie *Unplanned* or will see it in the near future, you will fully understand what is at stake and understand that the type of work sidewalk counselors, prayer warriors, and pregnancy care centers do is powerful, prayerful, and redeeming. Please join with us in our efforts in saving babies' lives and helping families. A few suggestions are:

- **Volunteer** at any one of our three AAA Pregnancy Options centers located in Hempstead, Massapequa, or Deer Park. We would greatly appreciate your time and talents and will find a best fit for you as well as provide wonderful training.
- **Attend a sidewalk counselor and/or prayer warrior training class** by experts Sr. Dorothy Rother and Msgr. Raymond Kelley on Saturday, October 12, 2019, from 10 a.m. to 1 p.m. at our Massapequa center.
- **Participate in the 40 Days for Life campaign** from September 25 to November 3, 2019 (time slots available as your schedule permits) to act upon that knowledge learned from the training class mentioned or participate by being mentored on site at either the Planned Parenthood in Hempstead or in Smithtown. *Carry a sign or don't carry a sign, but be there in prayer. The only one you need to talk to while in front of an abortion facility is God.* For more information, please go to 40daysforlife.com/hempstead.

Support the Life Center by purchasing *Unplanned*!

** When you purchase your Blu-ray or DVD copy of *Unplanned* through **Amazon Smile**, you can support the life-saving efforts of the Life Center of Long Island at the same time!

To purchase, go to *Amazon Smile*, select "Mother And Unborn Babycare Of Long Island Inc," and then buy *Unplanned*. *Amazon Smile* donates 0.5 percent of the price of the *Unplanned* copy/copies to the Life Center of Long Island.

The more eyes that see this powerful movie, the more the truth is known. Should your church or ministry choose to show the movie, we would gladly, at your invitation, facilitate a question-and-answer period.

Blessings,

Gloria

DEACON'S CORNER/SAVE THE DATE: FRANK SINATRA NIGHT

I have some good news to relay to you: On the evening of Friday, November 8, we are going to have a Frank Sinatra special, one in which you will see him and listen to him. I have been a Sinatra lover for at least 30 years. I started late, but that is a story for the evening of November 8.

Katherine Jenkins will assist me on all the visuals and music. We will have **Frank's favorite meal, spaghetti and meatballs**. It was a meal that he would cook himself when he traveled with the Harry James and Tommy Dorsey bands. (I am sorry; I do not have his recipe.) More details to follow, but for now, post on your calendars and tell your friends! All of the night's proceeds will benefit the Life Center of Long Island.

If you love the man and his music, then **come, see, and enjoy a different local program of The Man and His Music**. Please call me for tickets: \$50 per person, 516-523-0586

Blessings to you all, and see you on November 8!
