# A PRO-LIFE COFFEE MOVEMENT

Seven Weeks Coffee was founded by Anton Krecic. He and his wife drew inspiration for their company from visiting a pregnancy care center and seeing its mission firsthand. Seven Weeks Coffee offers ethically sourced coffee with a mission to support life.

"At seven weeks a baby is the size of a coffee bean. So that's where we get our name. It's the same time a heartbeat is clearly detectable. So, our mission is to protect every beating heart by supporting ultrasound services in pregnancy care centers." Anton Krecic, Founder, Seven Weeks Coffee
