We hope you will consider supporting the *Life Center of Long Island* through placement of an advertisement in our Gala Journal. Advertisers will receive recognition:

Our goal at the Life Center is to empower pregnant and parenting women by providing them with the resources required to take care of themselves and their children. It is essential that pregnant women choosing life have access to much needed support services.

We consult with over 250 women and men each month at our four locations – Deer Park, Hempstead, Massapequa and Smithtown. We provide over 200 families monthly with baby items such as cribs, car seats, diapers, formula, layettes and more, all free of charge!

With the help of benefactors like you, we are able to promote life and uplift those who need our care at a difficult time, particularly those struggling with an unplanned pregnancy. It is important to provide hope and encouragement to mothers and fathers in need of assistance.

Please complete the attached Journal ad form. Thank you for your consideration and for supporting the *Life Center of Long Island* and those we compassionately serve.

Sincerely,

Gloria Schreiber

Chief Executive Officer
