A PRO-LIFE COFFEE MOVEMENT

Seven Weeks Coffee was founded by Anton Krecic. He and his wife drew inspiration for their company from visiting a pregnancy care center and seeing its mission firsthand. Seven Weeks Coffee offers ethically sourced coffee with a mission to support life.

"At seven weeks a baby is the size of a coffee bean. So that's where we get our name. It's the same time a heartbeat is clearly detectable. So, our mission is to protect every beating heart by supporting ultrasound services in pregnancy care centers"

~ Anton Krecic, Founder, Seven Weeks Coffee

Adopt a Mom and Child Program

Last year, the Life Center distributed an equivalent of over **\$815,000** in free donated material aid serving more than **2,500** pregnant women and their families.

That means that the average client received approximately **\$325** in free donated material aid.

FACT: More abortion minded women choose life when the Life Center commits to supplying free material aid for their children until they reach two years of age!

The Life Center's mission is to reach abortion minded women and change their hearts for life. Our goal is to help serve more women and children by increasing participation in our Adopt a Mom and Child Program.

Will you help us serve more moms and their children by participating in this program?

We can't do this without your help. Only God knows how many babies have been saved from abortion because of the work of the Life Center and the generous supporters like you.

Please "✓" on the form below how many moms and children you would like to help, detach, and place in the envelope provided. Please complete your donation information on the top half of the remittance envelope.

Thank you for your love and generosity. May God continue to bless you and your family and the Life Center.

Consider leaving a lasting **Legacy to the Life Center of Long Island**. While we are working and praying for the day abortion will be abolished in our nation, we know that this fight will not easily be won. To help us achieve our mission, "To promote, encourage and foster public sentiment and respect for the dignity of human life...from conception to natural death," we need your support. The Life Center of Long Island can assist in facilitating donations of stock, life insurance, or funds from retirement accounts such as an IRA, or a plan for giving in your will. We can also accept non-cash assets such as used vehicles, stocks, and mutual funds.

Please contact Gloria Schreiber, CEO for more information at 516-798-8746.

Use your IRA for your gift – If you would like to make a gift now using your IRA and if you are at least 70 ½ years old and don't exceed your maximum of \$100,000.00 per year in qualified charitable distributions, you will not have to report your distribution as income. It will be free of federal and NYS income tax, and it will count toward your required minimum distribution (RMD). A spouse who qualifies can separately make up to the same \$100,000.00 annual contribution.

The best way is to start with your IRA Custodian. Tell them you want to make a "qualified charitable distribution." In most cases, you will only have to fill out a simple form. Very important – your gift must go directly from your IRA to the Life Center of Long Island. If you receive the distribution first, you will be taxed on the amount. You can make the Life Center of Long Island a beneficiary of your IRA and your loved ones will not have to pay income tax on the proceeds.

The Life Center of Long Island is grateful for all the assistance our benefactors provide. Without your help, we could not fulfill our mission. You are the Good Samaritans to the families we serve. God bless!
