The Life Center Honored at the Nassau Chapter Knights of Columbus Charity Ball

The Life Center was honored at the annual Charity Ball of the Nassau County Chapter of the Knights of Columbus which took place this year on Sunday, April 14, 2024, at Leonard's Palazzo in Great Neck.

Each year, the Knights of Columbus select a charity that lives and displays the mission of believing and being committed to loving God and loving neighbor, and that through the charity's work, they regress so that Jesus Christ may progress through that charity and become visible to all those they encounter. Once the charity is selected, the Knights then focus on raising funds throughout the year and donate all the funds raised to that charity at their Charity Ball.

On behalf of everyone who serves at the Life Center, we thank the Nassau County Chapter of the Knights of Columbus for this tremendous honor and the extremely generous check presented to us that afternoon! We are humbled and grateful for their acknowledgment and support of our mission in saving babies' lives.

We greatly value the relationship that continues to grow between the Knights of Columbus and the Life Center as our working together is unified by both of our mission statements that emphasize **"respect and dignity of human life from conception to natural death,"** and **the importance of the preservation and defense of the family.** There was a proud announcement that beginning with this year's Chapter Ball the name will be changed to the Ted Newkirk Charity Ball honoring the memory of their Past Chapter President, who started the very first Chapter Ball.

Happy 38th Anniversary to the Life Center! In this month of May, the Life Center has now approached 38 years of serving women and families here on Long Island. Our numbers show we assisted over 70,000 women, helped save over 2500 babies lives from abortion, and helped 100's of women and men find healing and forgiveness through our post abortion ministry.

Abortion is the defining issue of our time. We thought the life battle was won when Roe V Wade was overturned. We are still experiencing the aftermath of that battle. **The stakes in the battle for life just got higher.** A recent study from the Guttmacher Institute, an organization that supports abortion access, found that **an estimated 1, 026,000 Abortions, just one year later in 2023, has increased to the highest number and rate of Abortions in the US in over a decade!**

This highlights the importance of what we in the pro-life cause have always said that we must not only make abortion illegal but rather unthinkable. Pro-lifers must be "proactive" and "visible" to women seeking Abortion so they are aware of the support available to them in order to transform their hearts and save one life at a time.

The impact of the Knights generosity to the Life Center will propel our advancement on the new programs just initiated in our centers to reach more women contemplating Abortion, lower the stakes, and assist them with real, tangible life-affirming options. Our clients will become better educated, equipped, and empowered by all the resources available so they can reverse their decision and save the lives of their babies.

We know that we are God's sheep amongst the wolves. The enemy always attacks when there is greatness in store. United together, we are making a difference - one life at a time.

Blessings,

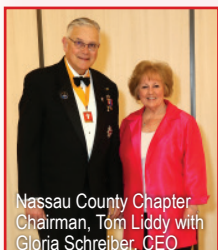

Gloria

40 DAYS FOR LIFE RESULTS

As per Mike Sweeney, local Smithtown 40 Days for Life Leader sent the following recap.... We had **two** babies (that we know of) saved from abortion and **18** women referred to Women First Pregnancy Center for counseling, pregnancy test kits and baby items. Also, numerous Women First pamphlets were given to people entering Planned Parenthood and to people in the community. LED BY THE HOLY SPIRIT and with the presence of sidewalk counselors, prayer warriors and the assistance of the counselors at the Women First Pregnancy Center, WE HAD A VERY SUCCESSFUL 40 DAYS FOR LIFE CAMPAIGN.

As per Paul Arena, local Massapequa 40 Days for Life leader sent the following recap... The spring 40 Days for Life campaign is growing and we are having more people each time inquiring about how they can stand witness for the unborn. There was an obvious increase in awareness of our presence by workers at Planned Parenthood. I prefer sneer glances, comments uttered, and even middle fingers from workers and drivers of cars passing by to completely being ignored. The fact that our presence bothers them indicates that deep down they know there is something very wrong going on behind those doors. We look forward to the fall campaign. Please pray for us, and for all babies, mothers, fathers and abortion workers involved.
