

Christmas 2024

Our Baby "Rocky!"

Wishing You Christmas Blessings

<<Seq #>>

Dear <<first>>,

Winter 2024

Christmas is a special time of year, as we celebrate the **"greatest unplanned pregnancy ever told."** The Nativity reminds us of the promise made by God that a Redeemer would be sent to us. That promise was fulfilled by the birth of our Savior, Jesus Christ. He came to Earth as a baby with a purpose and a plan, a gift for all people and every generation: Mercy, Healing, Redemption, and Grace. We can only imagine the obstacles and challenges Mary and Joseph endured on their journey to Jerusalem. Yet the peace, wonder and joy of the Nativity gives us hope to carry on. As we enjoy the festivities of the season, the foundation of such joys were the difficulties they were built on.

No matter the day, nor hour, every knock on our door from a woman in an unplanned pregnancy brings her own story and reveals her own desperation and search for hope. We walk alongside her on her journey just as Joseph did with Mary, serving with compassion, calming fears and providing that hope. We educate, equip and empower the woman to overcome her challenges and set her foundation just as Mary did.

We currently live in chaotic times as the forces of evil press on from all corners. Yet, God's light is with us. We are heartened with hope of new leadership from our recent elections and pray that promises are fulfilled. As history reminds us, true change doesn't come from government – it comes from the **unwavering commitment of people like you!**

- Because of your **generosity and efforts** this past year, we were able to support women and their children (ages newborn through two years of age) by distributing an equivalent of over **\$950,000** in **free material aid** to over **3,010** total client visits (a 10% increase in visits over last year and growing)!
- Because of your **prayers**, we are uplifted and strengthened in everything we do, for everyone we help, for every baby we save. In the past **38 years**, we served **over 73,100 clients** and **saved over 2,430 preborn babies lives!**
- Because of your **partnership**, we served over **3,000** mothers and fathers and recorded **49 BABY SAVES** throughout 2023-24 (11% increase in baby saves over last year)!

Your impact is a blessing to us for the babies' lives we save, and the women and men we serve. We are very grateful for your prayers and financial support and inspired by how your gifts make a difference to our ministry. With over 2,800 pregnancy centers in the US-outnumbering abortion clinics four to one-we have the infrastructure to transform America into the most hopeful, resourced, and compassionate place for women in crisis. Our four Women First Pregnancy Options pregnancy centers are the centers of pro-life influence in every community here on Long Island. **We have what is needed to help change hearts for life!** Your steadfast spirit and unwavering commitment for our mission is exactly the partnership we need to help reach and rescue more women and men in the New Year.

Our Initiatives are bearing fruit, and our plans for the New Year are ambitious! Please review the enclosed insert for several different ways to support our work including our **Legacy Program, IRA-RMD (Required Minimum Distribution), Adopt A Mom And Child Program, Baby Buggy Car Donation, Purchase Seven Weeks Coffee**. We need your assistance to achieve our New Year goals that will help us save more babies' lives and assist families in need. **Will you help us?**

May God richly bless you and your family this Christmas and for a Healthy and Happy New Year!

Blessings from all of us at the Life Center,

Gloria Schreiber
